CONSTITUTION ON PARENT TEACHER ASSOCIATION

We, the parents, teachers, and other individuals interested in the welfare of children, sincerely believe that through a united effort, we can create conditions in homes, schools, and the community conducive to nurturing responsible and productive citizens for our nation.

With this objective, we propose to form a Parent-Teacher Association (PTA) in our school to strengthen collaboration between parents and teachers and support the school administration in its developmental activities.

Structure of the Association:

1. The Principal of the school will act as the Patron of the Association.
2. The Secretary shall be responsible for all correspondence on behalf of the PTA, including calling meetings and arranging programs approved by the Executive Committee.
3. The Joint Secretary shall assist the Secretary in discharging their duties effectively.

Aims and Objectives of the PTA:

1. To hold a General Body Meeting once a year.
2. To conduct Executive Committee Meetings as and when required.
3. The Patron (Principal) will have the authority to call emergency meetings with the consent of the Executive Members.
4. To monitor and ensure discipline among students.
5. To contribute to the development of the school infrastructure and academic environment.
6. To assist the school administration in organizing functions, cultural programs, and educational lectures.
7. To actively work towards fulfilling the needs of students and the school.
8. To encourage community service and provide support during natural calamities.

We are confident of the initiative to foster greater cooperation, involvement, and a shared commitment towards the development of our children and the school.
